Dec. 10th

Miss Craven.

Miss Craven Jan 26th/03.

This morning when on the Terrace, Miss Craven struggled & tried to fight the nurses, but she soon calmed down.

At tea time she was violent & abusive, and three nurses had to hold her. She would not finish her tea, & at supper time, she made a dash at her bread & milk, & threw it all over the bed & floor.

Miss Craven.

On being dressed to go out, at 10.30 a.m. patient suddenly began to use dreadful language, which seemed to be at one of the nurses, at the same time struggled hard to get free, digging her nails into our hands & trying to trip us with her feet. Other nurses came in & helped to hold her. Patient crying out she would not be good until (She) had left the room,
