Dear Sirs,

For the attention of Miss Wenyon.

AIR RAID PRECAUTIONS.

We are given to understand that under the Civil Defence Bill shortly to become law, the onus is to be put upon private householders and Heads of Firms to provide suitable shelters and to take other necessary steps for the protection of the employees.

If you are considering, with others, the necessity of works of this kind, we shall be glad to submit a scheme and an estimate.

We have already had experience of this work, and have at present such work in hand.

As we anticipate shortly a rush in this direction, and as unfortunately prices seem to go up with great rapidity accordingly, we feel that it would be to your advantage to deal with the matter as expeditiously as possible.

Assuring you of our best attention at all times.

We are, dear Sirs,
Your obedient servants,
for and on behalf of
GEORGE SHAW (BUILDERS) LTD.

Director.
