RED BLISTER

FOR HORSES AND CATTLE.

One of the best and most reliable means of blistering horses and cattle; its well-known curative properties, combined with certainty of action, cause it to be universally recommended by Veterinary Surgeons of the highest standing.

FOR SPRAINS, ENLARGED TENDONS, WIND-GALLS, ETC.
AND WHENEVER A BLISTER HAS BEEN ORDERED.

DIRECTIONS.

The Ointment should be spread on linen and applied to the necessary part and should be left in place all night, upon removal next morning dress the part with hog's lard.
