PARKER'S

Ringworm Wash

FOR EXTERNAL USE ONLY.

This Wash is acknowledged to be infinitely superior and better in its effect to any of the old preparations now in the Market, and farmers have only been disappointed by using Washes which are found, after repeated applications, to be next to useless. It is a **Sure Remedy and Perfectly Safe.**

DIRECTIONS.—To be applied with a very stiff brush and rubbed in to the affected parts. 15 minutes after, apply pure sweet oil freely over the sores.

PREPARED ONLY BY

ALFRED PARKER,
