## **THE CLEANSING DRINK.**

---

This useful Medicine may be well termed the Farmers' Friend, it being the most useful medicine he can possess. It is also very advisable that every Farmer should have a constant supply always at hand ; in all cases after Calving it is highly requisite that the Cow should have one or more of these Drinks to cleanse her from all slime, &c., (which ought always to be cleared out of the beast,) at the same time soothing and strengthening the internal parts.

Give one of these Drinks in a quart of warm ale and a quarter of a pound of treacle, and repeat if necessary. The beast may live as usual.
