CLEANSING DRINK

FOR NEWLY-CALVED COWS

The value of this Composition has been proved by the experience of a number of years as a Medicine for

effectually removing the Placentula Cleansing, & for Strengthening and Restoring the Cow after calving

DIRECTIONS—Put the Drink into a pitcher, with half a pound of Treacle, then pour three pints of Oatmeal Gruel and one pint of Ale upon the whole; stir them up and cover the pitcher with a cloth to keep in the steam until new milk warm, when it is to be given to the Cow, after fasting one hour. If necessary, a second Drink may be given in a day or two.
