BIBBY'S

Sheep & Lamb Cakelettes

THE HANDIEST FEED
AND THE BEST

THE POINTS IN FAVOUR OF ABOVE ARE—

(1) The Ewes do better than when fed on the best Linseed Cake. (2) The Cakelettes are handier and less trouble to feed. (3) The Lambs fatten more rapidly; and, lastly—*there are fewer losses.*

All the "Bibby" Cakes can now be had in the form of CAKELETTES and in this way they make a more handy feed than is otherwise to be had. They are also packed in smaller (1½ cwt.) bags.

JOHN BULL: "No need to hesitate in buying the new 'Cakelettes,' Sir, several of my best customers have tried them, and everyone of them have come back for more; they are not only a handier feed in themselves, but are also supplied in handier packages. I think myself, too, that the Sheep and Lamb Cakelettes are the best of the many improvements which Bibby's have introduced in the way of feeding stuffs."

PLEASE NOTE.
