The Redwings Story

Redwings Horse Sanctuary was founded in 1984 to rescue horses, ponies, donkeys and mules from neglect and slaughter and provide them with a caring home for the rest of their days. Daily we care for over 1,000 horses. Education in the welfare of equines is a very important part of our work and we regularly investigate cases of cruelty and neglect around the country. SLAUGHTER IS A REALITY! Many horses, ponies and donkeys are neglected by their owners who have lost interest or can no longer afford the time or money to look after them. For a FEW LUCKY ONES there is REDWINGS and once rescued, we nurse them back to health and provide them with a loving home for the rest of their days. *We never sell them.* We would be very pleased to send you details of our work.

ADOPT A RESCUED HORSE, PONY OR DONKEY

By adopting one of our horses, ponies or donkeys, you will contribute towards the feed and care of all the horses at the Sanctuary. The minimum donation we recommend is £6.00 yearly but if you can manage more your adopted friend will be grateful.

You will receive a twice yearly report and photographs of your adopted horse and receive our regular newsletter with details of our work, how to become a member, fund raising ideas for all ages and a full range of gifts.

REDWINGS is a registered charity, the demands on our funds to care for our large family is limitless. WE DESPERATELY NEED YOUR HELP.

GENERAL DONATIONS ARE WELCOME - NO AMOUNT IS TOO SMALL.
