CUISS TONIC POWDER

Cupiss' Tonic Powder acts as a general pick-me-up increasing the appetite and stamina helping to bring the Horse into peak condition, particularly useful in training, assisting to produce the extra vigour essential for a better performance.

DIRECTIONS

Sprinkle Powder into the food which should be slightly damp.

As a general conditioner we recommend a 1 x 15gm. measure to be given in the evening feed every two days for three doses.

The course of treatment may be repeated after a week if necessary.

DOSE

Large Horse : 1 x 15gm. measure

Ponies or Small Horses : 1 x 10gm.

The action of the powder will not keep a horse from work.

Store in cool dry place.
