*Registered under the Stock Medicines Act 1939 (S.A.)*

*Registered under Stock Food & Medicines Act 1940 (N.S.W.)*

*Registered under The Veterinary Medicines Act 1953 (W.A.)*

*These celebrated Powders have been used over the past 160 years in the care of horses. Their natural ingredients help coax the appetite, aiding the healthy function of the Digestive System preventing injuries as a result of improper feeding and over exertion. Where excessive work is concerned, they help counteract the dangers of eruptions and blood impurities. Their action helps to promote and stimulate the Kidneys and Bladder, thus keeping your horse in perfect condition.*

## **CUPISS' CONSTITUTION POWDER**
