BAKER & SON'S "SUSSEX" PIG POWDERS

The most effectual remedy for Pig Diseases.

RECOMMENDED AS A PREVENTIVE AGAINST SWINE FEVER.

Improve the appetite and cleanse the coat. Given occasionally, produces quietness and contentment, causing the Pig to lay on flesh rapidly. Effectually eradicate Worms.

For Colds, Influenza and Wheezing. For Fevers, Off Appetite
For Breeding Sows. For Feeding Pigs. For Pigs Young and Old.
Keeps Pigs in Health and Condition and thus prevent Swine Fever.

DIRECTIONS.

ONE tablespoonful is a dose for a full-grown Sow or hog; under six months, half, and under three months one third of this quantity.

For Worms, a dose, according to age, to be given in a very little wash, on an empty Stomach, for four mornings running.

For Colds, Wheezings, Influenza, &c., give a dose mixed with the usual food, night and morning.

Breeding Sows, one, twice a week, a month before pigging, and one every day, for eight days afterwards.

Feeding Pigs when off appetite, and to keep them in health, and as a preventive of Swine Fever, give one daily.

PRICE 7/-

Prepared only by
