DOG MIXTURE

Purifies the blood, produces a smooth and healthy appearance in their Coats.

Whatever may be the symmetry and high breeding of Dogs of any breed they cannot acquire celebrity in the field or at the shows at the present day unless they are brought to the highest condition. To accomplish this, the state of the blood as well as the body must be attended to; for if the body be permitted to become gross, the blood will be filled with impurities, considerably affecting respiration, which should be as free from such obstructions as possible. By using this Mixture the animal may be KEPT IN PERFECT HEALTH AND BROUGHT INTO GOOD CONDITION, WITH THAT GLOSSINESS OF COAT SO ESSENTIAL FOR SUCCESS ON THE SHOW BENCH. Should the dog at any time appear dull and heavy, a dose every morning for three or four times will be found to produce the desired effect, much better than giving strong Aperient Medicines, which often weaken the animal so much as to require a week, or more, to get the dog into his usual condition.

Introduced by G. H. BENBOW, Chemist, M.P.S., and prepared only by

BENBOW'S DOG MIXTURE CO., 2, BARTHOLOMEW CLOSE, E.C.1.

The following are only a few of the many Testimonials received:—

"BEEHIVE," CUCKFIELD, SUSSEX.

DEAR SIR,—It may interest you to know that quite recently I had a number of dogs down with distemper; some I treated with another much advertised remedy, and to the others I gave "Benbow," and I did not lose a single dog that I gave "Benbow" to, but lost four out of five that I treated with the other remedy. This, I think, "speaks for itself."

I have been using "Benbow" for over a quarter of a century, and I still think it the most genuine article on the market in the way of Dog Medicine, and always give my field-trial dogs a course of "Benbow," and am often asked how it is that my dogs look so well.

You may make any use you like of this letter, which is quite unsolicited.

Yours truly, R. SHARPE.

1, BURROW ROAD, PRESTON.

DEAR SIR,—I have used your mixture in these kennels for the past 10 years, and find no better on the market for keeping dogs in best condition. One of my puppies last time out won three firsts, special and gold medal for best Airedale in show, thanks to "Benbow."

I am, Sir, yours faithfully, T. EVENS.

"KENNELS," ROYAL ARTILLERY HARRIERS, BELFORD CAMP,
SALISBURY, WILTS.

DEAR SIR,—As a kennelman of 15 years' experience I wish to testify to the excellent results which I have obtained from your "Benbow's Dog Mixture" in the treatment of hounds for distemper. During the past 12 months I have treated some 25 couple of hounds for distemper with your valuable preparation, without a single failure when your mixture was administered in time, and I can say that provided your Mixture is given to a dog as soon as the disease shows itself, it is a certain and speedy cure. In the interests of all dog lovers, I give you full permission to make any use of this appreciation which I give with complete confidence.

Yours faithfully, JOHN ALLEN,
Kennelman, R.A. Harriers, Salisbury.

BROOKHILL, STRATTON, CORNWALL.

DEAR SIR,—Being a staunch believer in your Alternative Mixture for Dogs, I think the following experience of its benefit will be of interest to you. Some time since I had a couple of my foxhounds suffering from distemper and jaundice together. A Vet. who was staying with me at the time from the North of England said rarely or ever did he know of recovery under such circumstances and in the condition they were in at the time. However, I resorted to "Benbow's" and saved them both. You are at liberty to make what use you like of this letter. I always keep some handy to give a spoonful to any fatigued hound on return after a hard day, it is a rare pick-me-up, they get fond of it and will lick it out of the spoon.

I remain, yours very truly, GEORGE BRENDON, M.F.H.

DENSFORD, CORSHAM, WILTS.

LT.-COL. P. G. PARKINSON writes:—

I have used "Benbow" for many years for all my dogs. Nothing I have ever come across seems to be "in the same street" with it for keeping dogs fit and well.

3, BRIDGE STREET, CROOK, CO. DURHAM.

DEAR SIR,—I find your Mixture one of the finest things for keeping dogs fit and getting them into condition. I had one dog (a whippet) could not run above three courses before he was done, but after he had had a bottle of "Benbow," he can run nine or ten. I would not be without it now. You can use letter as an advertisement. I am well known with owners of sporting dogs.

I am, yours (signed) JAMES ELLIOTT.

THE KENNELS, WORCESTER PARK.

MR. BENBOW.

SIR,—Please send me one gallon of your Mixture as I do not like to be without it as I consider it the best thing out for keeping hounds in good condition. At the last Peterboro' Harrier and Beagles Show I won the Champion Cup for the best dog hound and also the Champion Cup for the best bitch, Silver Cup for the best two couples, besides five First and two Second Prizes, and I am sure they never would have been in such good condition if I had not used your Mixture in preparing them.

Yours faithfully, THOMAS GOWING,
Huntsman, Worcester Park Beagles.
