We all want a cleaner environment and we can all help to achieve it. As a responsible dog owner you can help reduce dog mess in the streets, parks and housing estates.

POOP SCOOP CAMPAIGN

 Many dog owners already clean up after their dogs.

 To encourage more owners to participate, biodegradable poop scoops will be provided free of charge for a trial period (January 10 to April 1994).

 Poop Scoops will be available at Council offices listed overleaf OR telephone the Contracts Management Group on 081-695 6000 ext 8463 for postal delivery.

HOW TO USE THE POOP SCOOPS

 You do not need to touch the dog mess directly. Insert your hand inside the poop scoop, place over the dog mess and withdraw into the scoop.

DISPOSAL

 Used poop scoops can be disposed of in:

- ◆ Red dog waste bins
- ◆ Lewisham blue litter bins
- ◆ Domestic waste (ie wheelie bin).

Remember to wash your hands after disposal.

LOCAL BYE-LAWS

 The Contracts Management Group is currently reviewing bye-laws relating to dog mess. One option is to make it a legal requirement for owners to clean up after their dogs.

 Please act now, be a responsible owner and set a good example.

To help assess the success of the poop scoop campaign, please complete the following and return to the poop scoop pick up point or the Contracts Management Group (see below).
