# Caring for your pet.

## CARING FOR YOUR DOG

You love your dog to look good and Vitapet skin and coat conditioner is one sure way of helping it maintain a lustrous glossy coat. Vitapet also restores this gloss after moulting and helps prevent unnaturally heavy moulting and the shedding of loose hairs that is so often associated with living in centrally heated homes.

- Contains Omega 3 Polyunsaturates to help reduce excessive moulting
- Provides the important principles of wheatgerm oil
- Treats dry or flaky skin
- Improves all round health and condition
- Available in 170ml bottles

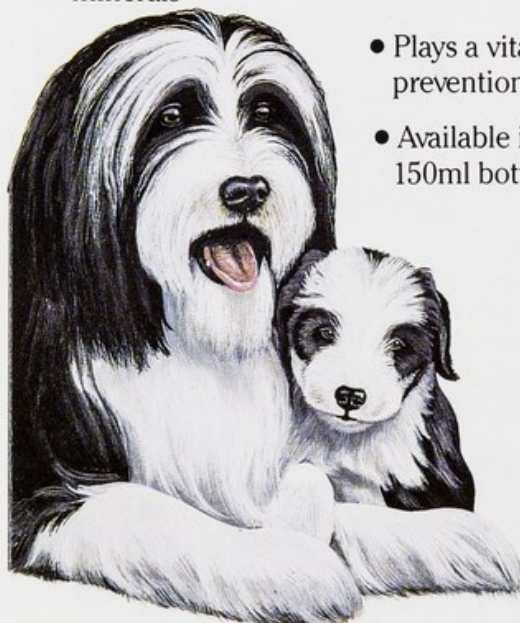

GIVES DOGS A SLEEK, SHINY COAT

## CARING FOR YOUR PUPPIES AND THEIR MOTHER

Vitapet gives puppies and their mothers the best possible care, supplying a carefully balanced formula of vitamins A, D and E plus the essential minerals, calcium and phosphorus. So your puppy will build up firm bones, strong teeth and will enjoy healthy growth. Vitapet also helps restore the strength and condition of the mother as she looks after her litter.

- Promotes healthy growth in puppies
- Keeps mother fit and well during pregnancy
- A safe, natural source of essential vitamins and minerals
- Plays a vital role in the prevention of rickets
- Available in 150ml bottles

A PERFECT START FOR MOTHER 'N' PUP

## CARING FOR OLDER ANIMALS

Rheumatism and Arthritis are common in older animals, particularly larger breeds of dog. Vitapet includes EPA and DHA with Vitamins A & D, in a natural oil formula known to protect against and treat these disabling diseases. It also contains nutrients that are essential for building and maintaining strong bones. Regular use will give an ageing animal the best possible chance of maintaining a healthy active life.

- Helps prevent rheumatism and arthritis
- Maintains bones
- Contains EPA and DHA
- Eases pain to give your pet a new lease of life
- Available in 170ml bottles

AN EASIER LIFE FOR OLDER ANIMALS

## CARING FOR YOUR CAT

A regular dose of Vitapet won't just give your cat a shiny, healthy, handsome coat, it also helps to reduce the heavy moulting which can cause the hairballs that lead to digestive problems.

Vitapet provides the food supplements vital to your cat's full development and continued health.

- Specially blended to suit your cat's metabolism
- Provides essential Polyunsaturates, fatty acids and selected cod liver oil
- Contains natural health promoting ingredients
- Keeps your cat in peak condition
- Available in 170ml bottle

KEEPS CATS CONTENTED

## CARING FOR SMALLER PETS

Small furry pets are usually kept in habitats away from direct sunlight. Vitapet's blend of natural oils has been specially developed to give your pet the sunshine vitamin and natural goodness it would normally get in the wild. The vitamins A, D & E in Vitapet help develop resistance to many kinds of infections including colds, influenza and other respiratory diseases.

- Restores beautiful lustre to your pet's fur
- Keeps eyes bright, bones strong and teeth sound
- Polyunsaturates keep skin healthy and supple
- Helps protect against infections
- Available in 100ml bottle

**KEEPS SMALL ANIMALS BRIGHT 'N' BUSHY**

## CARING FOR BIRDS

Caged, cooped and racing birds don't always get enough vitamin D – the sunshine vitamin. Vitapet Feather Conditioner is the health supplement which is rich in Vitamin D plus Vitamins A & E to keep your feathered friend in peak condition. Vitapet provides the extra nutrients that are needed during breeding

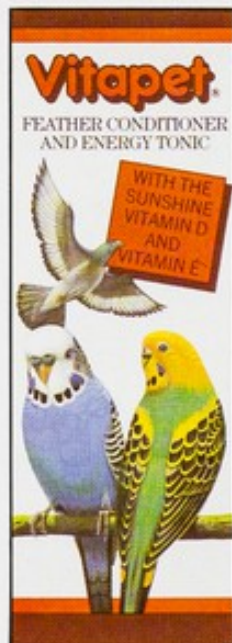

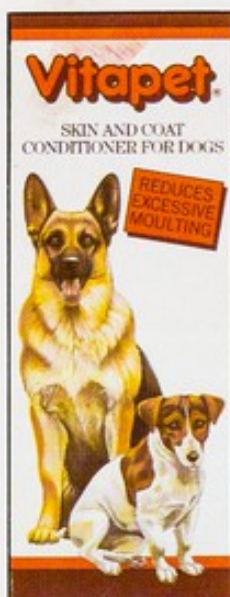

and has been especially blended to contain a balanced level of polyunsaturates, so important in maintaining the healthy condition of feathers. Vitapet also helps check excessive moulting.

- Specially formulated for all birds
- Rich in vitamins A, D and E
- Provides extra energy for an active life
- Contains cod liver oil and the important principles of wheatgerm oil
- Available in 100ml bottle

**TO MAKE BIRDS BEAUTIFUL**

Whatever your pet, you'll find a product in the Vitapet range specially formulated to keep it in the very best of health. Always check the pack for correct dosage.
