## **A FLEA COLLAR WITH A DIFFERENCE**

Not only do these collars protect against fleas for up to 4 months, each Lost & Found Flea Collar is also printed with its own individual identification number that you register with Sherley's. Should your pet become lost, the finder can call Sherley's direct by ringing the Freephone number that is also printed on the collar. Sherley's will then refer to their central database and help reunite your pet with you.
