CARROT DRINK Delicious drink made from carrot concentrate. Loved by rabbits and rodents of all sizes! Can aid digestion and help prevent diarrhoea.

CAVI FRUIT Fruity Drink made with rose hip concentrate, with added vitamin C. Guinea pigs, like human beings, cannot synthesis their own vitamin C and so it is essential that they receive an additional source of vitamin C.

GROOMING POWDER An ideal way to keep longhaired breeds of guinea pigs and rabbits tangle free, without the use of water. Recommended by cavy breeders.

SQUEAKY CLEAN & DIRTY RAT SHAMPOO Mild, fresh fragranced shampoo ideal for show preparation, controlling odours, and preventing flystrike in rabbits during the summer months.

CAGE FRESH Specially formulated to neutralise the unpleasant odours associated with small animal houses. If used regularly, it will form a protective layer and prevent scaling caused by urine. Makes cages and house rabbit litter trays much easier to clean.

BEA CLEAN SMALL ANIMAL DISINFECTANT Ideal for use on cages, hutches, toys, bowls, drinker bottles, work tops, house rabbit litter trays, and floors. Kills many bacteria and viruses.

RATTY SNACKIES Delicious cheese flavoured heart shaped treats for rats and rodents. Contains vitamins and minerals.

KNIBBY SNACKIES Heart shaped treats in two delicious flavours – Fruit and Added vitamin C. For rabbits, guinea pigs and rodents.
