THEY

HEALTH & HAPPINESS

What are they going for?

A REMARKABLE BILE BEAN CURE

HEADACHE & INDIGESTION BANISHED.

The following startling facts were told to a *Leeds Daily News* reporter by Mrs. Mary Elizabeth Moss, of 7 Pear Street, Green Road, Leeds:—"All my life," she began, "I have suffered from Biliousness and Sick Headaches. This last few years, I have been worse. As I got older and my health did not improve I consulted a doctor, and took any amount of quinine and iron tonics, besides boxes of pills and bottles of patent medicine. I have spent pounds in trying to cure myself. But it was all in vain. Some of the medicines did me a little good, but the effects were only temporary. The Headaches were the worst things I had to contend with. They were simply frightful, and sometimes my eyes were quite swollen up with pain. At times I have been so bad from my various ailments that I have even had to pay people to mind the shop so that I could go to bed. I suffered from pains in my arms and shoulders as well, in fact, all over my body.

"All this is changed now, though," she continued. "I heard of BILE BEANS for BILIOUSNESS from the wife of a man who was going on war duty in South Africa with the Reserves, and taking some BILE BEANS with him, I finally decided to try them too, and to my great surprise almost the first dose gave me relief; I continued with them, and to-day I am an altogether different woman. I can eat anything, and I go about my work with a freshness and energy that quite astonishes me. The Indigestion and Headaches have left me altogether since I have taken BILE BEANS, and the best proof I can give of my complete recovery is that I can now 'actually eat pastry.'"

BILE BEANS are an undoubted remedy for Headache, Dyspepsia, Constipation, Anæmia, Debility, and all ailments arising from a defective liver action. They are sold by all Chemists at 1/1½ and 2/9 per box, or post free from The Bile Bean Manufacturing Company, 119 and 120 London Wall, London, E.C., on receipt of price.
