Mr. S Lowther  
Wellcome Institute  
183 Euston Road  
London  
NW1 2BE

December 10, 1993

Dear Mr. Lowther,

Thank you for your recent request for information on products from Waters Division of Millipore. The requested information is enclosed, I trust you will find this of interest.

Millipore are the world leader in the field of separations technologies. Waters Division of Millipore offer a wide range of LC equipment, chemicals and columns enabling us to meet most applications and requirements.

An integral part of our total support commitment is our Technical Services Department. A team of specialists are on hand to answer your questions on all Millipore products, procedures and applications. Should you wish to take advantage of this service, please call 0923 816375.

Yours sincerely,

GENEEN HART  
Manager, Marketing Services
