Help Us With Our Winter Cleaning.

Yes we agree it is an unusual time for a «Spring clean» but we thought we would do things differently this year. As we have now moved to our new office at the 3 Harforde Court, Foxholes Business Park, John Tate Road, Hertford, SG13 7NW we are taking this opportunity to clean our mailing list. However we can only do this with your help.

All you have to do is to complete and return the detailed reply card by whatever method is most convenient. As an incentive there will be a winner of a trip that is both educational and interesting.

«The Pittcon Award».

We will draw a winner from all cards returned before the 15th February 1996 and one person will receive a fully paid trip to the Pittcon 1996 in Chicago, Illinois, USA. No matter what, even if you don't win the prize it is in your hands to decide whether you receive the latest information from the company leading the way in the fields of Biosynthesis, Biopurification and Bioanalysis. So what can you lose?
