London
NW12 2BE

Dear Mr Lowther

As requested through Laboratory Equipment I am pleased to enclose details of Tecan range of automated liquid handling equipment.

Tecan is a Swiss company which specialise in robotic liquid handling equipment, as well as microplate readers and washers, capable of performing every kind of assay in diagnostic research.

I hope you find the information useful and would welcome discussing any requirements you may have for laboratory automation.

Thank you for your kind attention

Yours sincerely

Frank G Smith (PhD)
SALES SPECIALIST
