Dear friend

Thank you for your enquiry to the HDRA. You will find information on the subject(s) you requested:

- ☐ In the literature highlighted on the list enclosed.
- ☒ In the leaflet enclosed.
- ☐ Written below.

The HDRA's Advisory Service is open to all, but as we receive a great many enquiries, we do have to give priority to members of the Association.

We are an independent charity. If you would like to support our work, a donation sent to the address below would be most welcome. Or why not become an HDRA member? An enrolment form is enclosed, along with some information about our work in Britain and Overseas.

Yours sincerely

Advisory Department
Encs

Researching, demonstrating and promoting environmentally friendly growing techniques
