Valentine's Meat-Juice Company

(ESTABLISHED 1871)

Cablegram Address:
"VALENTINE, RICHMOND"

Richmond, Virginia, U. S. A.

April 9th, 1928.

Henry Edwd. Richardson, Esq., M. D.,
Hardwicke House, 5, Stirling Rd., Clapham Rise,
London, S. W. 9, England.

Dear Sir:

We have the pleasure of enclosing you a booklet and ask your kind consideration of same. You will observe that it contains most satisfactory evidence of the experience of Physicians who have either themselves taken Valentine's Meat-Juice, or administered it to their families, when ill with Influenza or Pneumonia.

It is a pleasure, and is the best commendation the producers of a high class article can have, to present regular practitioners who are ill or debilitated with some of their product, so that they may be convinced by personal use, of its value as a delicate food for the sick.

On application to our friends, Messrs. Francis Newbery & Sons, Ltd., 27 Charterhouse Sq., London, they will send you, with our compliments, a package of the preparation.

Yours respectfully,

VALENTINE'S MEAT-JUICE COMPANY
