INFLUENZA

is just round the corner:

Are you ready to meet it?

Influenza picks out its victims from those who do not fortify themselves with sufficient and proper nourishment, from those who allow themselves to get fatigued and run down for want of regular meals, or whose systems are not strong enough to resist an attack.

Regular Bovril drinkers are not in this class. Influenza fights shy of those who are fond of "a cup of hot Bovril."

wards off Influenza.
