FOR YOUR

# BOVRIL

# SANDWICHES

A Bovril sandwich is not only tempting and delicious—it is really sustaining and nourishing, easy to make—and very economical.

Bovril is so concentrated that you need only spread it very thinly on the bread and butter. If a teaspoonful of Bovril does not make 12 sandwiches (4in. x 3in. x 3in.) you are spreading the Bovril too thickly.
