OTTO MÖNSTED'S ENGLISH-MADE MARGARINES & MIXTURES

Are the **BEST VALUE** in the Market.

NEW WORKS, SOUTHALL.

IMPORTANT NOTICE.

Owing to the central position of my two Factories, I have been able to arrange with the various Railway Companies that all my goods will be forwarded at night time only during the hot season. This arrangement not only enables me to deliver my goods in the **same perfect condition during the summer season** as in the winter, but also enables me to deliver my manufacture all over the country the day after churning. Similar arrangements were made last summer and highly appreciated by all my customers.

From my Factories, goods can, if required, be delivered daily, by which arrangement my customers will always be able to keep nothing but fresh churned goods in stock

WORKS:

Southall, nr. London, and Godley, nr. Manchester.
