The fact that "GRANOLA" (Regd.) Digestive Biscuits are so much more easily assimilated than any others is in great measure due to the large quantity of rich, fresh milk used in their manufacture, combined with a certain proportion of specially prepared malt.

FOR almost half a century "GRANOLA" (Regd.) Digestive Biscuits have maintained the highest degree of excellence in point of Quality and Food Value. The Finest and Purest Materials are used and the utmost care taken in the manufacture of this Biscuit.
