special occasion cakes

Our special occasion cakes make a perfect centrepiece for any celebration. The all butter sponge cake or luxury fruit cake are ideal for birthdays and anniversaries, or can be tiered for a magnificent wedding cake. Covered in soft icing and simply piped, they're ready to decorate as you wish. The new luxury fruit recipe is bound to impress – loaded with fruit, nuts, cherries and fresh peel, laced with brandy and covered in rich marzipan and soft icing.

Fruit cakes contain alcohol and nuts. Sponge cakes may contain nut traces. Both are suitable for vegetarians.

*The medium sponge cake can be used as a top tier, but it cannot support the weight of a fruit cake. Sponge cakes will stay fresh for a minimum of five days from delivery in store. Number of sponge portions is based on wedge slices – you'll get roughly double if you cut them as shown in the picture.

TO ORDER These cakes are available to order from any of our stores. Please allow two working days for the small, medium and large fruit cakes and five working days for the extra large fruit cake and all sponge cakes. Fruit cakes should be opened three days in advance of tiering to allow time for icing to finish drying. Remember to allow extra time for any additional piping.
