BY APPOINTMENT

Dear Member,

I have very much pleasure in enclosing your Membership Certificate to the Cookery Club. In welcoming you as a member, I hope you will make full use of the facilities of the Club, and that it will prove a real help to you.

The Certificate entitles you to receive the Club Magazine "Home & Kitchen" free for one year and to free use of the Club's advisory service on all problems of cookery. Membership of the Club does not entail any expenditure of time or money but provides an opportunity for all who are interested in cookery to avail themselves of our services and to keep in touch with one another through the wireless, our magazine and by correspondence.

In all correspondence, competitions, etc., members must quote their membership number, so be sure you keep your certificate in a safe place.

Some of your friends may also like to join the Cookery Club. Tell them all about it. If they will send in their names and addresses, together with the top of one of our packets, mentioning that you told them, I shall be very glad to enrol them.

Yours sincerely,

*Jean Scott*

Mrs. Jean Scott.
