SALLOW SKIN

Miss T. Ashby—"I have tried so many kinds of cream and clay packs in the hope of improving a muddy pimply skin that I simply cannot believe I have actually had no pimples since the first day I used Oatine. My skin is degrees lighter and the lines are certainly less and I have got a faint natural colour. I feel I am under a debt of gratitude to you."

DOUBLE CHIN

Mrs. J. Leicester—"I am delighted with the Beauty Roller. It has quite done away with my double chin. My face looks very much younger since using it."

Miss W. Stoke—"I have always had a good complexion but the roller has improved it and enabled me to get rid of a double chin which I was developing. The flesh under the skin is more firm than before using the little roller."

WRINKLES

Miss D. Bournemouth—"To prove what the Cream and Magician Roller have done for me, it was only yesterday that a complete stranger thought I was only twenty-five years of age. I had great difficulty in convincing him that I was actually thirty-eight. The Cream has softened my skin and the Magician Roller has toned up the muscles of my face and removed all wrinkles. It is my lucky charm."
