Dear Sir,

In view of the growing interest here in the theories and practice of Dr. M.O. Bircher-Benner, this Society has published a complete illustrated report of his address. His indictment of civilised diet and demonstration, with the aid of the lantern, of the way out, made a profound impression upon a large and representative audience.

No doubt you will be glad to call the attention of your readers to the same by reviewing the pamphlet, or inserting the appended paragraph.

Yours faithfully,

HON. SECRETARY.

A complete report of Dr. M. Bircher-Benner's address on "The Prevention of Disease by Correct Feeding", with 24 illustrations and portrait, may be obtained post free 1/1d. from The Food Education Society, 29 Gordon Square, W.C. 1.
