## HELPING YOU MAKE HEALTHY CHOICES

Discover one of the World's best kept Wholefood Secrets. Enjoyed for Centuries in the Far East and now produced Locally, Amazake is a delightful treat that's Healthy and Wholesome.

If you have never tasted Amazake, you will be amazed by its natural Sweetness. A special culture (called Koji) has been introduced that reduced the starches in the grain into their own Natural Sugars. Amazake still contains all the goodness of Organic Brown Rice and is also rich in Enzymes that aid Digestion & Elimination.
