Dear Mr Lowther

Thank you for your recent letter requesting information on Boots food products.

Please find enclosed two copies of each of our leaflets, together with a Boots Foods List complete with nutritional values.

Our Healthy Eating Investigations and Food Technology Investigations were written by a Home Economics Teacher in conjunction with our Health and Nutrition Adviser. The packs are geared towards GCSE Home Economics pupils, and contains investigations, leaflets and resource material.

Should you wish to place an order, just send me an application along with your cheque or postal order to the value of £3.50 for the Healthy Eating Investigations Pack and £9.50 (+ £2.00 packing and postage) for the Food Technology Investigations Pack, made payable to the Boots Company PLC. The appropriate application form is enclosed.

I hope that you find this information useful; however, please do not hesitate to contact me again if you have any further queries.

Yours sincerely

Lydia Scothern (Miss)
Assistant Health & Nutrition Adviser
