perfect partners

Bagel Factory authentic American bagels, Crannog smoked salmon, freshly milled black pepper and a twist of lemon juice. All the ingredients for the perfect all-day wholesome snack.

Our bagels are steam baked daily in small batches. This ensures they have a slightly crisp crust and a dense, chewy, flavourful interior with a grainy warm aroma. We only use a unique, high-protein wheat imported from North America, this is then ground by our millers to create our distinctive blend of flour.

Bagel Factory bagels are made of entirely natural ingredients, contain no additives, oils, fats, or preservatives and are GM free. They have no cholesterol are low in salt yet are high in energy giving carbohydrates and nutritional value, Almost too good to be true.
