We are **passionate**
about **food**. Pret creates
handmade, natural food, avoiding the
obscure chemicals, additives and preservatives
common to **so much** of the 'prepared' and
'fast' food on the market today.

Passion Fact No. 33

Visit a Pret **early** in the morning
and you'll **smell pine nuts** and
almonds being roasted in the kitchen.

Roasting is the best way to bring
out the **richness** of their **flavours**.

We do some every morning and use them that
day. It's a bit **more effort**

but we think it makes a
difference to the **taste**,
not to mention a
delicious smell in the kitchen.
