## “ ONLY ONE BOVRIL.”

The Chinaman is an exact Imitator.

A lady who had hired one of the Celestials as cook undertook to show him how to make a cake. The second egg happened to be bad and was thrown away. A few weeks afterwards she found that her Chinese cook, when making a cake, always broke and then threw away the second egg, no matter what its condition might be.

That's the way with most Imitators. That's the way with the Imitators of "BOVRIL". There is only one preparation made in just the same way as "BOVRIL" and that is "BOVRIL" itself.
