Longlife Milk is Pure Milk

We take fresh milk straight from the farm and we purify and pack it in totally germ free conditions. The special Tetra Pak carton keeps the milk safe, without refrigeration, ready for when you need it.

This means we can give you the goodness of milk, with the convenience of long life.

As with ALL milk, it is best served chilled, and so you should refrigerate it both before and during use.

Just take this leaflet to the checkout when you purchase a 6 pack of 500ml Tesco Virtually Fat Free UHT Milk and SAVE 50p.
