PENN'S TREATY.

[1682 or 1683 ?]

Over.

THE DATE of Penn's T^m is
in dispute, but it is uni
admitted that AYER'S C
PECTORAL prolongs and
life, and therefore far excee
value anything Penn ever of
fered the natives in exchange
for their lands. It rapidly cures
Colds, Coughs, Sore Throat,
Influenza, Quinsy, Laryngi
tis, Hoarseness, Bronchitis,

Croup, Asthma, and Catarrh. It wonder
fully increases the power and flexibility of the
voice, strengthens weak lungs, allays pulmo
nary irritation, and affords the most effectual
relief for Whooping Cough and Consump
tion in its advanced stages.

It should be noticed that the doses of AYER'S
CHERRY PECTORAL consist of a limited num
ber of *drops*, it being of great strength and
curative power, making it more economical as
a medicine than many other preparations. Its
powerful uniform control over all diseases of
the throat and lungs makes it the most reliable
medicine that can be procured.

Full directions accompany each bottle.
