AYER'S SARSAPARILLA
Gives HEALTH and

SUNNY HOURS.

FOR SCROFULA and all scrofulous, mercurial, and blood disorders, the best remedy is AYER'S COMPOUND CONCENTRATED EXTRACT OF SARSAPARILLA—called, for convenience, AYER'S SARSAPARILLA. It is composed of the Sarsaparilla-root of the tropics, Stillingia, Yellow Dock, Mandrake, and other roots held in high repute for their alterative, diuretic,

tonic, and curative properties. The active medicinal principles of these roots, extracted by a process peculiarly our own, are chemically united in AYER'S SARSAPARILLA with the Iodide of Potassium and Iron, forming by far the most economical and reliable blood-purifying medicine that can be used.

If there is a lurking taint of Scrofula about you, AYER'S SARSAPARILLA will dislodge it, and expel it from your system. For the cure of the disorders, lassitude and debility peculiar to the Spring, it has proved to be the best remedy ever devised. If your blood is vitiated, cleanse it without delay by the use of AYER'S SARSAPARILLA.
