JUST ARRIVED FROM LONDON,

And, by Permission, will be Exhibited here for a few Days,

At Mr. James's Sale Rooms, Corner of Lord-street,

THAT MOST WONDERFUL

Phenomenon of Nature,

THE

HOTTENTOT VENUS,

The only One ever exhibited in Europe.

In viewing this Wonderful LIVING Production of Nature, the Public have a perfect Specimen of that most extraordinary Tribe of the Human Race, who have for such a Length of Time inhabited the most Southern Parts of Africa, whose real Origin has never yet been ascertained, nor their Character, which has been so differently described by every Traveller who has visited those remote Regions of the World; and considering the natural morose Disposition of those People (who are scarcely ever observed to laugh) she is remarkably mild and affable in her Manners. She has had the Honor of being visited by His Royal Highness the PRINCE REGENT, and several Branches of the ROYAL FAMILY, also the principal NOBILITY, of both Sexes, in England, and declared to be a great natural Curiosity, well worthy the Attention of the Public. She is particularly obliged to the Female Sex who have so liberally patronized her Exhibition, and more especially after the malicious Reports circulated to her Disadvantage after her Arrival in this Kingdom; but which have been long since proved to be groundless. Over her Clothing, which is suitable to this Climate, is worn all the rude Ornaments used by that tribe on Gala Days.

N. B. Elegant Engravings of the Venus, by Lewis, sold at the Room.

ADMITTANCE—ONE SHILLING.
