Algunos Hombres Viven En Dos Mundos.

Y Sin Querer, Pueden Contraer El SIDA.

Hay momentos especiales en que prefieres estar en un mundo o en otro. Cuando lo hagas, tú que disfrutas de estos dos mundos, hazlo con seguridad.

El condón de látex es el mejor seguro de vida. Usalo con quien sea, donde sea y como sea...siempre.

Si no cabe en tu vida el uso de los condones, entonces la única manera de protección totalmente segura es no tener relaciones sexuales.

Házte la vida más tranquila, segura y saludable usando siempre un condón. **Informáte.** Llama gratuitamente al 1-800-367-2437 en California del Norte y al 1-800-222-7432 en California del Sur.
