The Faithful Have Nothing To Fear.

Not everyone has to worry about AIDS. You're safe if you're in a long-term sexual relationship with someone who is just as faithful to you. And if neither of you is using needles for drugs. For more facts and further reassurance, call the AIDS Hotline in Northern California at 1-800-367-2437, or in Southern California at 1-800-922-2437.

AIDS.
It's Up To You.
