The Borough HIV/AIDS Policy

Key points:

The Council will:

- not discriminate against you if you have HIV
- not make you say if you have HIV and will keep it confidential if you do say
- not make you take an HIV test
- offer free training (call ext. 5615)

Confidentiality

- You have a right to confidentiality
- You have a duty to protect the confidentiality of others
- You do not need to know if someone has HIV to protect yourself.

Before you pass on confidential information about a person you must get that person's consent.
