## Talk About AIDS

# Do You Talk About AIDS On The First Date?

NAEP 594 472

*Phillip: I sure do.*

You're serious?

*Phillip: Surprised you, didn't I?*

Yes.

*Phillip: Why?*

A lot of people don't like to talk about AIDS.

*Phillip: Yeah, I think that's pretty strange.*

Why?

*Phillip: Nobody talks about it. But everybody's afraid of getting it.*

Are you afraid?

*Phillip: Of AIDS—yes. Of talking about it—no.*

So, how do you start the discussion?

*Phillip: Well, I wait for a lull in the conversation. Then, I say something like, "So, how do you feel about AIDS?"*

What sort of reaction do you get?

*Phillip: It certainly gets their attention.*
