Talk About AIDS

How Would You Deal With It If One Of You Got AIDS?

Rob: That's like asking me what I would do if one of my pals got struck by lightning.

Why do you say that?

Rob: Because none of my friends are going to get AIDS.

You're sure?

Rob: Yes.

Just suppose one of them did.

Rob: I would be really upset.

Would you still be friends?

Rob: Yes.

You would still invite him to dinner?

Rob: Yes.

Would you hug him?

Rob: Yes. Look, my best friends are my family. And if one of us got sick, we'd all be there for support.
