Talk About AIDS

Have You Talked With Your Wife About AIDS?

Bob: Don't you people have anything else to talk about?

So, you've heard a lot about AIDS lately?

Bob: More than enough. And my wife has too. So don't bother her.

Have you talked with her about it?

Bob: No.

Do you think she worries about AIDS?

Bob: I don't know.

What if she does?

Bob: She wouldn't be the only one.

Do you worry about it?

Bob: Doesn't everybody?

So, here you are worrying alone when your wife is probably thinking the same thing.

Bob: I never thought about that.
