“Si él no tiene
un condón,
pídele que
busque uno.”

No es lo más fácil de decir. Pero en estos tiempos, tienes que hacerlo. Los condones pueden protegerte, si los usas apropiadamente y cada vez que haces el amor. Si estás saliendo con alguien que no le gusta usar condones, háblale antes de hacer el amor. Dádele tu opinión acerca de esto. Y ayúdalo en esa situación incómoda. Pero si todavía se niega a usarlos, pregúntate si vale la pena correr el riesgo.
