# On the wrong track.

Anna is going out with a guy who shoots drugs. She is making a big mistake. He could get AIDS by sharing needles, and Anna could get AIDS from him. She has choices: make him stop or get him some counseling and drug treatment; get rid of him; or at least make sure that when they have sex, he wears a condom.

AMERICA  
RESPONDS  
TO AIDS

1-800-344-SIDA  
1-800-344-7432

This has been a message from the  
U.S. Centers for Disease Control

1987 ARV / 10/10/87
