**What's stopping you  
from staying safe?**

For gay and bisexual men, an evening at a STOP AIDS group can help you get back on track. It's a chance to say what you've really been thinking about AIDS and sex. A chance to hear what others are doing. And a chance to find out you're not alone. Take the first step. Give us a call today.

**"I believe in  
safe sex  
until the  
third drink."**
