I Can't Afford To Be Sick. Can You?

Don't take chances. The virus that causes AIDS can be a killer. If you already have it, treatment will keep you healthy. If you don't, you can make sure you don't get it.

Call today for a blood test. It's free. They won't even ask your name.

You can't afford to be sick.

Don't wait.

Call today.
