I Can't Afford To Be Sick. Can You?

Don't take chances. The HIV virus that causes AIDS can be a killer. If you already have the virus, treatment will keep you healthy. If you don't have it, you can make sure you don't get it.

Call today for a blood test. It's free. It's painless. They won't even ask your name. Bilingual counselors are there to help. No one needs to know. Only you.

You can't afford to be sick. Don't wait.
